

Google classroom

Download the app on any Apple, Android or Google device or go online to https://edu.google.com/products/classroom/?modal_active=none on any Internet browser.

Children to login using the username and password provided in workbook.

Step 1- enter the username (full email address) and click next. Step 2- now enter the relevant password and click next.

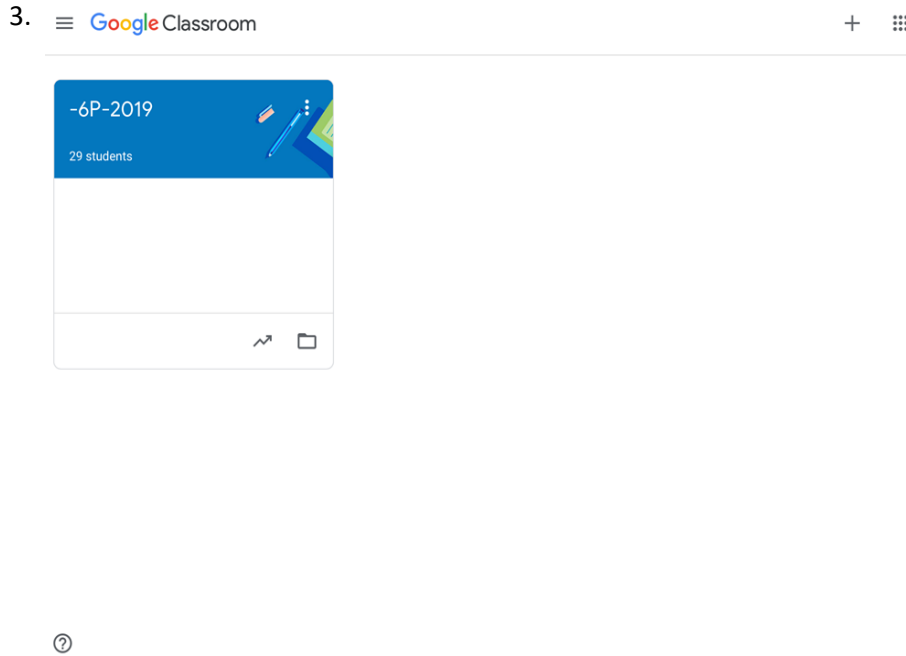

1.

A screenshot of the Google sign-in page. It features the Google logo at the top, followed by "Sign in" and "Use your Google Account". There is a text input field labeled "Email or phone" containing the email address "misspowell94@chn.compassps.uk". Below the field are links for "Forgot email?", "Not your computer? Use Private Browsing windows to sign in. Learn more", and "Create account". A blue "Next" button is at the bottom right.

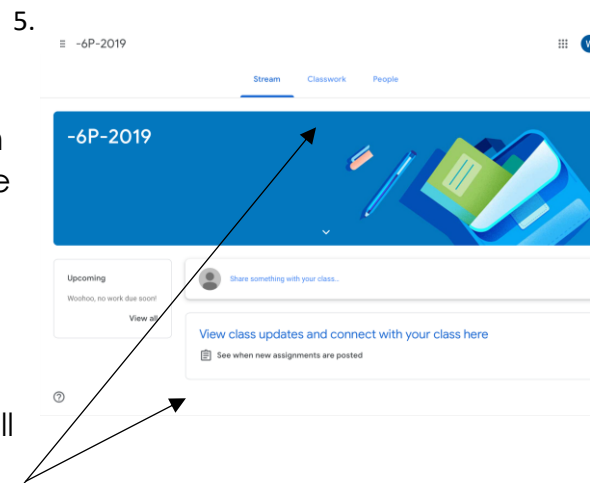

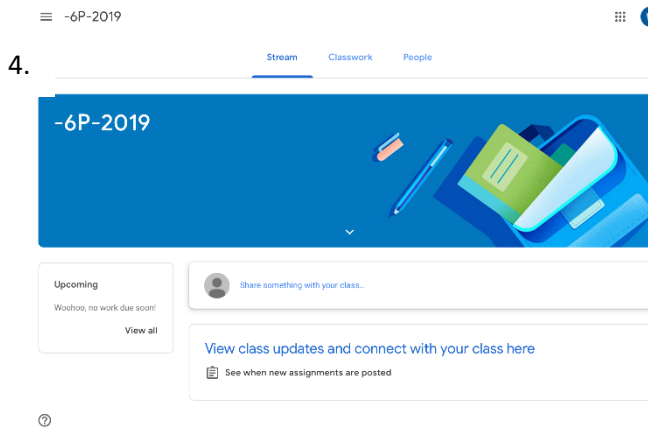

2.

A screenshot of the Google welcome page. It features the Google logo at the top, followed by "Welcome". There is a text input field labeled "Enter your password" with a blue border and a blue eye icon to its right. Below the field are links for "Forgot password?" and a blue "Next" button.

Step 3 - this will take you to your class. Click on the name of the class to enter.

Step 4- here is where you will find information that the teacher has posted.

Step 5 - check the stream or classroom tab (see arrows below) to see what the teacher has posted and asked the children to complete.

Here is where posts from the teacher will appear about work set for that week.
